*A full line of bioactive skincare products formulated to work synergistically to produce visible results.*

REPLENISH. REPAIR. RENEW.™

# DAILY REPAIR FOR SKIN OF ALL AGES

## AGERA® PRODUCTS

- 4 **Cleansers**
- 6 **Toner & Exfoliants/AHA**
- 8 **Moisturizers & Sun Protection**
- 10 **Vitamin Delivery**
- 12 **Home Treatment Products**
- 18 **Professional Products**
- 22 **Skincare Systems**

The AGERA® Rx Medical Formula skincare line was created by a research staff of chemists, biomedical scientists, and physicians whose mission is to develop advanced products for professional application in the medical practice setting.

### THE SCIENCE BEHIND THE AGERA® Rx PRODUCT LINE

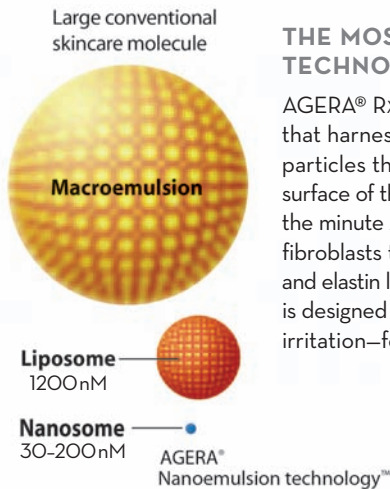

Dermatologic science for nonsurgical treatment of the skin has generally followed the “proliferation via irritation” model. Chemical peels, laser treatments, and microdermabrasion trigger repair via a wound-healing model to produce *in situ* “replacement” cytokines.

The problem is that aggressive therapies can increase the inflammatory process without resulting in a significant repair response. New technologies are required to enhance the post-procedure matrix response without increasing the inflammatory response.

That’s the difference with the AGERA® Rx Medical Formula. Our unique new generation of topical Lipopeptide “mimetics” help enhance normal daily repair and the results of treatment regimens, while minimizing the inflammatory response.

### THE MOST ADVANCED SKINCARE TECHNOLOGY IN THE WORLD

AGERA® Rx products utilize an advanced delivery system that harnesses “nanoemulsion technology™”—creating tiny particles that deliver powerful, ingredients beneath the surface of the skin. Unlike large, conventional skincare molecules, the minute AGERA® Rx particles penetrate the skin to reach fibroblasts that stimulate cell production and increase collagen and elastin levels. This exclusive AGERA® Rx delivery technology is designed to help activate the repair response—with minimal irritation—for maximum results.

Scientifically researched and proven—AGERA® Rx Medical Formula products provide daily repair for visible results without irritation.

derived from the Greek word “ageratos,” meaning “not to age”

### EXCLUSIVE INGREDIENTS THAT MAKE A MAJOR DIFFERENCE

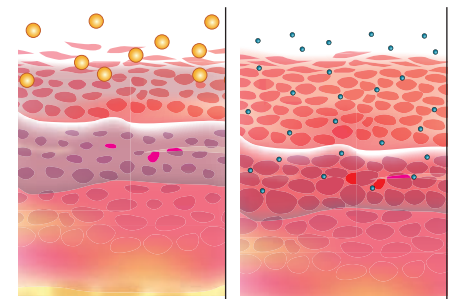

**Proprietary proliferative Lipopeptides.** Growth factor levels decline with age, causing the skin to thin and lose elasticity. The powerful Lipopeptides exclusive to the AGERA® Rx Medical Formula line are designed to help stimulate new collagen and elastin production for firmer, thicker, more vibrant-looking skin.

**Antioxidants.** Free radicals disrupt the normal function of skin cells and their ability to repair. AGERA® Rx products contain a range of powerful antioxidants proven to combat free radical damage and help restore a smoother, softer texture to the skin.

**Retinol.** Retinol has been clinically proven to reverse many signs of aging, such as fine lines, wrinkles, and uneven skin tone. AGERA® Rx products deliver this powerful anti-aging ingredient through tiny nano-emulsion molecules that penetrate the skin as time-release capsules to ensure rapid results with minimal irritation.

### PRODUCTS FORMULATED FOR SPECIFIC SKINCARE NEEDS

**Anti-aging.** AGERA® Rx Medical Formula uses powerful antioxidants, proprietary proliferative Lipopeptides, and Retinol to help maximize the skin’s regenerative ability while restoring and maintaining its thickness and resilience.

**Large conventional skincare molecules**  
Shallow penetration, does not reach fibroblasts

**AGERA® nanoemulsion technology**  
Enables deep penetration of key ingredients

**Hyperpigmentation.** The ingredients in the peels and other treatments in the AGERA® Rx line help reduce the activity of melanocytes for a flawless, even-toned complexion. Combining natural lightening agents, such as Kojic Acid, Arbutin, and Methyl Gentsiate, with powerful antioxidants, AGERA® Rx products are beneficial in reducing and helping prevent pigmentation.

**Acne.** AGERA® Rx Medical Formula includes a revolutionary combination of no-downtime peels and antibacterial skincare products to help improve acne-prone skin. These treatments target the causes of acne inflammation and help reduce and control blocked pores, bacteria, and skin discoloration.

The AGERA® Rx Medical Formula line of skincare products features an advanced new class of skincare products that is based on the science of cellular compatibility, resulting in superior performance with minimal skin irritation.

AGERA® Rx products utilize bioengineered Lipopeptides that are delivered via nanoemulsion technology™ to reach the cells that stimulate repair.

These professional treatments and home care products truly make a difference in the tone, texture, and overall appearance of the skin—and represent our commitment to setting new standards in product effectiveness and patient satisfaction.

# AGERA® Cleansers

## A. AGERA® Rx DEEP CLEANSING SALICYLIC WASH

- Specially designed for oily/acne-prone skin
- Contains the maximum allowable Salicylic Acid concentration
- Contains Prolifersan® for antimicrobial/antibacterial effects
- Deep cleans and provides mild exfoliation
- Leaves skin feeling soft and conditioned

**NARX-AC-300-6** RETAIL 6 OZ  
**NARX-AC-300-2** TRAVEL 2 OZ

## B. AGERA® Rx EYE MAKEUP CLEANSER

- Designed to gently cleanse the delicate eye area
- Appropriate for even the most sensitive skin
- Gently removes makeup quickly and effectively, without an oily residue
- Dissolves and removes makeup using soothing, natural rose water
- Does not require harsh or abrasive rubbing action

**NARX-AC-400-2** RETAIL 2 OZ

## C. AGERA® Rx GENTLE EVERYDAY CLEANSER

- Nonabrasive and nonirritating for all skin types
- Uses mild surfactants to gently cleanse without stripping natural oils
- High nonionic surfactant levels provide foaming action to remove heavy makeup or oily skin buildup
- pH-balanced formulation contains no irritating fragrances
- Specially designed for frequent use without dryness

**NARX-AC-100-6** RETAIL 6 OZ  
**NARX-AC-100-2** TRAVEL 2 OZ

## D. AGERA® Rx ULTRA MILD CLEANSER

- Formulated for nonabrasive and nonirritating cleansing of all skin types, *especially* sensitive skin
- Ideal for use before and after skin-resurfacing procedures
- Gently foams without causing eye irritation
- Provides a balanced pH to complement the natural pH of the skin (4.5–5.5)

**NARX-AC-500-6** RETAIL 6 OZ  
**NARX-PAC-500-16** PROFESSIONAL 16 OZ  
**NARX-AC-500-2** TRAVEL 2 OZ

AGERA® Rx cleansers are formulated to provide gentle, nonabrasive, nonirritating cleansing, and are balanced to complement the natural pH of the skin. They leave the skin soft and conditioned, and ready for other treatments.

# AGERA® Toner & Exfoliants/AHA

## A. AGERA® Rx CONDITIONING MIST TONER

- A refreshing liquid mist designed to tone all skin types
- Hydrates and soothes skin, leaving a healthy glow
- Effectively tones without the drying effects of alcohol
- Noncomedogenic and nonirritating
- Perfectly pH balanced to complement the natural pH of the skin (4.5-5.5)

**NARX-AT-300-6** RETAIL 6 OZ

## B. AGERA® Rx SKIN RENEWAL AHA 7.5%

- Nonabrasive exfoliating gel starting in the 7.5% strength
- Unique combination of AHA with Beta-Glucaderm® accelerates the removal of the top layer of skin
- Specially formulated with rheological and desensitizing characteristics
- Titration options for effectiveness
- Reduces the appearance of fine lines and wrinkles, and leaves skin glowing, vibrant, and smooth

**NARX-AE-700-1** RETAIL 1 OZ

## C. AGERA® Rx SKIN RENEWAL AHA 12.5%

- Nonabrasive exfoliating gel in an increased 12.5% strength
- Unique combination of AHA with Beta-Glucaderm® accelerates the removal of the top layer of skin
- Specially formulated with rheological and desensitizing characteristics
- Titration options for effectiveness
- Reduces the appearance of fine lines and wrinkles, and leaves skin glowing, vibrant, and smooth

**NARX-AE-800-1** RETAIL 1 OZ

## D. AGERA® Rx SKIN RENEWAL AHA 15%

- Nonabrasive exfoliating gel in an increased 15% strength
- Unique combination of AHA with Beta-Glucaderm® accelerates the removal of the top layer of skin
- Specially formulated with rheological and desensitizing characteristics
- Titration options for effectiveness
- Reduces the appearance of fine lines and wrinkles, and leaves skin glowing, vibrant, and smooth

**NARX-AE-900-1** RETAIL 1 OZ

AGERA® Rx toner is designed to gently condition the skin, leaving it soft and refreshed. It is pH balanced and nonirritating, providing the protection skin needs to look its best.

AGERA® Rx exfoliants contain AHA and are specially formulated to smooth the skin, removing dull surface skin cells and revealing healthy, more vibrant, younger-looking skin.

# AGERA® Moisturizers & Sun Protection

## A. AGERA® Rx RECOVERY COMPLEX

- Soothes and calms all skin types with no sting upon application
- Protects skin and reduces redness associated with skin-resurfacing procedures
- Contains CM Glucans and plant-derived anti-irritants
- Helps minimize transdermal water loss
- Helps to enhance collagen and elastin production
- Provides antioxidant protection with Vitamin C (MagC®) and Vitamin E

**NARX-AM-440-2** RETAIL 2 OZ  
**NARX-PAM-440-8** PROFESSIONAL 8 OZ  
**NARX-AM-440-3** TRAVEL 0.3 OZ

## B. AGERA® Rx OIL-FREE PLUS MOISTURIZER

- Seals in moisture for all skin types, even troubled skin
- Forms a dry, invisible barrier of protection moments after application
- Provides antioxidant protection to defend against free radical damage
- Contains unique texturizing agents and Beta-Glucaderm® to visibly improve the look and feel of the skin

**NARX-AM-200-2** RETAIL 2 OZ  
**NARX-AM-200-3** TRAVEL 0.3 OZ

## C. AGERA® Rx ULTRA MOISTURE COMPLEX

- Elegant moisturization for mature/dry skin types
- Ceramides provide resiliency and reduce fine lines
- Vitamins A, E, and C (MagC®) help prevent free radical damage
- Includes Prolifersyn®, the world's most effective anti-aging Lipopeptide, to help enhance collagen and elastin production
- Includes Phytoestrogen (Wild Yam Extract) for enhanced moisture retention
- Delivers Omega-3 and Omega-6 fatty acids for elasticity

**NARX-AM-340-2** RETAIL 2 OZ  
**NARX-PAM-340-8** PROFESSIONAL 8 OZ  
**NARX-AM-340-3** TRAVEL 0.3 OZ

## D. AGERA® Rx DAILY MOISTURIZING PROTECTOR—SPF 25

- Mild daily moisturizer protects all skin types
- Hydrates while providing UVA/UVB sun protection
- Balances the skin's water barrier and provides a protective shield against environmental factors

**NARX-AS-250-2** RETAIL 2 OZ  
**NARX-PAS-250-8** PROFESSIONAL 8 OZ  
**NARX-AS-250-3** TRAVEL 0.3 OZ

## E. AGERA® Rx HYPOALLERGENIC OIL-FREE SUN BARRIER—SPF 18

- Hypoallergenic, soothing dimethicone base provides sun protection for all skin types
- Forms a dry, protective shield against environmental factors
- Titanium Dioxide (UVB) and Zinc Oxide (UVA) reflect the sun's damaging rays away from the skin

**NARX-AS-200-2** RETAIL 2 OZ  
**NARX-AS-200-3** TRAVEL 0.3 OZ

## F. AGERA® Rx ULTRA PERFORMING SUNSCREEN—SPF 25

- The world's most modern sunscreen is combined with Prolifersyn®, the most advanced anti-aging Lipopeptide
- Creates an invisible chemical-free barrier for full-spectrum protection against both UVA and UVB

**NARX-AS-301-1** RETAIL 1 OZ  
**NARX-AS-301-3** TRAVEL 0.3 OZ

AGERA® Rx moisturizers are specially formulated to hydrate and balance the skin's water barrier, providing a protective shield against damaging environmental factors.

AGERA® Rx sun protection products are designed to defend the skin against environmental factors, providing a chemical-free barrier and broad-spectrum UVA and UVB protection.

# AGERA® Vitamin Delivery

## A. AGERA® Rx MAGC® PEPTIDE SERUM

- Delivers a high dose (>5%) of stabilized Vitamin C to the skin at neutral pH conditions
- Helps to enhance collagen/elastin production with Prolifersyn®, a proprietary Lipopeptide
- Produces an even-toned, healthier, and younger-looking complexion
- Contains Leucocyte Extract for pigmentation suppression
- Can be used with AHA regimens and post-peel, post-microdermabrasion

**NARX-AV-500-1** RETAIL 1 OZ  
**NARX-AV-500-5** TRAVEL 0.5 OZ

## B. AGERA® Rx MICROEMULSION ANTIOXIDANT SERUM

- Designed for normal/dry/mature/environmentally damaged skin
- Delivers a steady, targeted supply of Retinyl Palmitate, Tocopheryl Acetate, and Beta Carotene to nourish the skin and enhance proliferation
- Contains Beta Carotene antioxidants to fight free radical damage
- Balances the skin's water barrier and provides a protective shield against environmental damage

**NARX-AV-100-1** RETAIL 1 OZ  
**NARX-AV-100-5** TRAVEL 0.5 OZ

## C. AGERA® Rx ULTIMATE RETINOL REJUVENATOR—35

- Provides a starting dose of the epidermal proliferative ingredients Retinol (>0.35%) with Retinyl Palmitate
- Contains an advanced, proprietary proliferative Lipopeptide/ Oligopeptide complex that facilitates dermal stimulation
- Targets the dermis for skin repair and rejuvenation
- Provides highly stable, highly bioavailable nanoemulsion delivery for rapid entry with slow-release technology
- Prolifersyn® helps to enhance collagen/elastin and mature fibroblast/epidermal stimulation

**NARX-AV-900-1** RETAIL 1 OZ  
**NARX-AV-900-3** TRAVEL 0.3 OZ

## D. AGERA® Rx ULTIMATE RETINOL REJUVENATOR—60

- Provides a higher dose of the epidermal proliferative ingredients, Retinol (>0.60%) and Retinyl Palmitate
- Contains an advanced, proprietary Lipopeptide/Oligopeptide complex that facilitates dermal stimulation
- Targets the dermis for skin repair and rejuvenation
- Provides highly stable, highly bioavailable nanoemulsion delivery for rapid entry with slow-release technology
- Prolifersyn® helps to enhance collagen/elastin and mature fibroblast/epidermal stimulation

**NARX-AV-910-1** RETAIL 1 OZ  
**NARX-AV-910-3** TRAVEL 0.3 OZ

AGERA® Rx vitamin delivery products are designed to deliver a powerful range of antioxidants, including MagC®, our highly stable form of Vitamin C, to nourish the skin.

These ingredients combat free radical damage and help restore a smoother, softer texture to the skin.

# AGERA® Home Treatment Products

## A. AGERA® Rx ACNE ATTACK Rx SYSTEM (POWDER & ACTIVATOR)

- An evening acne reduction treatment with L-Ascorbic Acid/Salicylic Acid/antimicrobial ethanolic/water system
- Treats the inflammatory reaction with the Prostaglandin E1 Inhibitor and Ursolic Acid
- Provides the powerful keratinolytic effects of Salicylic Acid
- Ethanol allows rapid penetration of a low-pH Salicylic/Ascorbic Acid complex
- Low-irritation formulation produces mild superficial peeling with no downtime

**NARX-ATR-750-KIT-1** RETAIL 1 OZ

## B. AGERA® Rx ANTIBACTERIAL PEPTIDE CREAM

- Oil-free formulation designed for oily and acne-prone skin types
- Contains the antibacterial enzyme Lysozyme and the antimicrobial Lipopeptide Prolifersyn®
- Moisturizes by sealing in moisture minutes after application
- Designed to be used in conjunction with AGERA® Rx Oxy Infusion Cream
- Lysozyme and Prolifersyn® work synergistically with Hydrogen Peroxide in antibacterial applications

**NARX-ATR-310-1** RETAIL 1 OZ

**NARX-ATR-310-3** TRAVEL 0.3 OZ

## C. AGERA® Rx CATALASE ANHYDRO GEL

- A stabilized anhydrous product containing the Catalase Enzyme for all skin types
- Applied to the skin, this enzyme converts various damaging peroxides into oxygen and water
- Can be used with AGERA® Rx Oxy Infusion Cream to generate oxygen and neutralize the Hydrogen Peroxide for enhanced dermal renewal effects
- Mineral-free formulation exfoliates and softens the skin

**NARX-ATR-900-2** RETAIL 2 OZ

## D. AGERA® Rx IGF DERMAL MATRIX MICROGEL

- Revolutionary new technology provides peptidic enhancement of procedures such as laser resurfacing, chemical peels, and microdermabrasion
- Provides a low-irritation peptide complex of IGF-1 and IGF-4
- Helps to enhance collagen and elastin production in mature fibroblasts in human cell culture studies
- Produces low irritation and provides superior proliferative effects

**NARX-ATR-920-1** RETAIL 1 OZ

**NARX-ATR-920-5** TRAVEL 0.5 OZ

## E. AGERA® Rx KOJIC Rx ANTI-PIGMENT CREAM

- An alternative to prescriptive 4% or higher Hydroquinone formulations
- Contains powerful pigmentation suppressors, including Mulberry and Bearberry extracts, and the tyrosinase inhibitors, Kojic Acid, Arbutin, and Methyl Gentsiate
- Produces gradual, uniform lightening with low irritation
- Helps enhance pigment suppression after hyperpigmentation treatments
- Provides excellent moisturization and humectant effects

**NARX-ATR-980-2** RETAIL 2 OZ

**NARX-ATR-980-5** TRAVEL 0.5 OZ

AGERA® Rx offers a wide range of advanced products for patient use at home, including treatments for acne-prone, dry, mature, and hyperpigmented skin.

# AGERA® Home Treatment Products

## F. AGERA® Rx MICRODERMA Rx SYSTEM (MASK & ACTIVATOR)

- Utilizes an exfoliating Bicarbonate/Vitamin C crystal and AHA system
- Gently buffs away and dissolves old skin
- Leaves the face smooth and radiant without gritty residue
- Includes Prolifersyn®, a proprietary proliferative Lipopeptide
- Helps to enhance collagen and elastin balance in skin

**NARX-ATR-650-KIT-2** RETAIL 2 OZ

**NARX-ATR-650-KIT-1** TRAVEL 1 OZ

## G. AGERA® Rx NANO EYE LIFT

- Elegantly formulated eye treatment, designed specifically for the delicate eye area
- Helps reduce the appearance of fine lines and wrinkles and boosts collagen production
- Contains Prolifersyn®, the newest proliferative anti-aging Lipopeptide, and Palmitoyl Oligopeptide
- Nanoemulsion delivery for rapid and efficient penetration of the skin

**NARX-ATR-985-1** RETAIL 0.1 OZ

## H. AGERA® Rx OXY INFUSION CREAM

- Stabilized Hydrogen Peroxide (H<sub>2</sub>O<sub>2</sub>)-based cream replaces Benzyl Peroxide creams
- Provides the benefits of an oxygen-generating cream
- May be used with AGERA® Rx Antibacterial Peptide Cream to help reduce acne
- Creates an antibacterial synergy when used with AGERA® Rx Antibacterial Peptide Cream
- Converts Hydrogen Peroxide to water and oxygen when used with AGERA® Rx Catalase Anhydro Gel

**NARX-ATR-100-1** RETAIL 1 OZ

**NARX-ATR-100-3** TRAVEL 0.3 OZ

## I. AGERA® Rx PHYTO LIGHTENING CREAM

- Provides an alternative treatment to Hydroquinone formulations for long-term lightening
- Contains high levels of Mulberry and Bearberry extracts, which possess significant tyrosinase inhibition activity
- Uses a mild (pH 3.5) AHA phospholipid delivery vehicle to enhance the penetration of these water-soluble extracts
- Produces gradual and uniform lightening effects
- Delivers excellent moisturizing/humectant effects

**NARX-ATR-911-2** RETAIL 2 OZ

AGERA® Rx offers a wide range of advanced products for patient use at home, including treatments for acne-prone skin, dry, mature, and hyperpigmented skin.

# AGERA® Professional Products

## A. AGERA® Rx PRO PEEL PREP

- De-fats and cleanses the skin, preparing it for AHA/BHA peels
- Acts as an anti-inflammatory/counter-irritant as well as a low-irritation pigmentation-suppression system
- Includes non-Hydroquinone pigment suppressors
- Delivers plant-derived prostaglandin E1 inhibitors

**NARX-PATR-930-1** PROFESSIONAL 1 OZ

## B. AGERA® Rx PRO C PEEL SYSTEM (POWDER & ACTIVATOR)

- Designed to be used alone or in a layered peel system
- AGERA® Rx Pro C Peel may be applied prior to AGERA® Rx Pro SLC Peel-24
- Use of this peel prior to stronger Pro SLC peels (Pro SLC-40/Pro SLC-60) may provide counter-irritant effects
- Produces a significant anti-inflammatory effect
- Sterilizes the skin
- When applied prior to Pro SLC peels, contributes to the overall strength of the layered AHA/BHA peel
- Enables rapid penetration to help enhance the dermal matrix

**NARX-PATR-950-KIT** PROFESSIONAL 1 OZ

## C. AGERA® Rx PRO SLC PEEL-24

- Provides the benefits of an AHA/BHA peel with minimal irritation
- Does not require removal; may be layered with AGERA® Rx Pro Peel Prep and AGERA® Rx Pro C Peel
- Ideal for mild acne, hyperpigmentation, and fine lines and wrinkles, as well as prior to microdermabrasion
- Provides excellent anti-inflammatory/counter-irritant benefits

**NARX-PATR-940-1** PROFESSIONAL 1 OZ

## D. AGERA® Rx PRO SLC PEEL-40

- Provides the benefits of a medium-strength AHA/BHA peel with minimal irritation
- Does not require removal; may be layered with AGERA® Rx Pro Peel Prep and AGERA® Rx Pro C Peel
- Ideal for mild acne, hyperpigmentation, and fine lines and wrinkles, as well as prior to microdermabrasion
- Provides excellent anti-inflammatory/counter-irritant benefits

**NARX-PATR-950-1** PROFESSIONAL 1 OZ

## E. AGERA® Rx PRO SLC PEEL SYSTEM

This professional peel system is delivered in a kit that provides the benefits of each of the following AGERA® Rx products:

- Pro Peel Prep (2 bottles)
- Pro C Peel Powder
- Pro C Peel Activator
- Pro SLC Peel-24
- Pro SLC Peel-40

**NARX-PATR-SLC-KIT** PROFESSIONAL 1 OZ

AGERA® Rx offers a wide range of advanced products developed for professional use in the medical office. These products include a variety of exfoliants, masks, and peels specialized to meet the needs of different skin types.

# AGERA® Professional Products

## F. AGERA® Rx PRO SLC PEEL—50

- Provides the benefits of a higher strength AHA/BHA peel with minimal irritation
- Designed as part of a layered system approach with AGERA® Rx Pro Peel Prep and AGERA® Rx Pro C Peel
- Ideal for acne and photo-induced hyperpigmentation
- Should be followed with a pigmentation suppressor such as AGERA® Rx Kojic Rx Anti-Pigment Cream or AGERA® Rx Phyto Lightening Cream

**NARX-PATR-960-1** PROFESSIONAL 1 OZ

## G. AGERA® Rx PRO MICRODERMA PREP

- Reduces the mechanical sensory effects of microdermabrasion and acts as a mild anti-inflammatory
- Unique Lipopeptide desensitizing system improves the skin's ability to tolerate the procedure
- Nonsteroidal anti-inflammatory properties aid in the reduction of erythema during the procedure
- Should be applied after cleansing the skin and prior to the beginning of a microdermabrasion procedure

**NARX-PATR-999-8** PROFESSIONAL 8 OZ

## H. AGERA® Rx MICRODERMA Rx SYSTEM (MASK & ACTIVATOR)

- Utilizes an exfoliating Bicarbonate/Vitamin C crystal and AHA system
- Gently buffs away and dissolves old skin
- Leaves the face smooth and radiant without gritty residue
- Includes Prolifersyn®, a proprietary proliferative Lipopeptide
- Helps to enhance collagen and elastin

**NARX-PATR-650-A-8** PROFESSIONAL 8 OZ

**NARX-PATR-650-M-8** PROFESSIONAL 8 OZ

AGERA® Rx offers a wide range of advanced products developed for professional use in the medical office. These products include a variety of exfoliants, masks, and peels specialized to meet the needs of different skin types.

# AGERA® Skincare Product Systems

AGERA® Rx Medical Formula skincare product systems work synergistically to provide a complementary combination of cleansing, moisturizing, protection of the skin, and other product specific treatments to produce visible results.
