- 14 **Home Treatment Products**
- 18 **Professional Products**
- 22 **Skincare Systems**

AGERA® Spa/Salon Skincare was created by chemists, biomedical scientists, and physicians dedicated to developing advanced skincare products.

THE MOST ADVANCED SKINCARE TECHNOLOGY IN THE WORLD

AGERA® products are designed to enhance the client experience by innovatively delivering the very best skincare ingredients. Ours is the first skincare system in the world to use “nanoemulsion technology™”—tiny particles that deliver powerful ingredients deep within the skin.

Unlike large conventional skincare molecules, the minute AGERA® particles enable rapid, deep penetration of our exclusive bioactive ingredients, helping to activate repair for minimum irritation and maximum results.

Innovative skincare technology— AGERA® Spa/Salon Skincare includes a full line of scientifically designed skincare products formulated to produce visible results without irritation.

EXCLUSIVE INGREDIENTS THAT MAKE A MAJOR DIFFERENCE

Proprietary proliferative Lipopeptides.

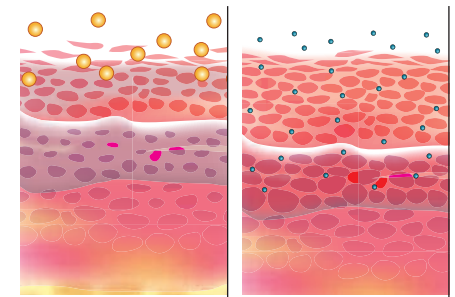

Growth factor levels decline as we age, causing the skin to thin and lose its elasticity. The powerful Lipopeptides exclusive to AGERA® Spa/Salon Skincare are designed to help stimulate new collagen and elastin for firmer, thicker, younger-looking skin.

Antioxidants. Free radicals disrupt the normal function of skin cells and their ability to repair. AGERA® skincare products contain a range of powerful antioxidants to combat free radical damage and help restore a smoother, softer texture to the skin.

Retinol. Retinol is proven to reverse fine lines, wrinkles, and uneven skin tone. AGERA® products deliver this powerful anti-aging ingredient via nanoemulsion technology™, penetrating the skin as time-release capsules for rapid results with minimal irritation.

PRODUCTS FORMULATED FOR SPECIFIC SKINCARE NEEDS

Anti-Aging. Using powerful antioxidants, proprietary proliferative Lipopeptides, and Retinol, AGERA® skincare products are designed to help maximize the skin's regenerative ability while restoring and maintaining its thickness and resilience.

Large conventional skincare molecules

Shallow penetration, does not reach fibroblasts

AGERA® nanoemulsion technology

Enables deep penetration of key ingredients

Hyperpigmentation. The peels and other treatments in the AGERA® Spa/Salon Skincare line of products help reduce the activity of pigment-producing cells within the skin for a flawless, even-toned complexion. Combining natural lightening agents with powerful antioxidants, AGERA® skincare products are beneficial in reducing and helping to prevent pigmentation.

Acne. AGERA® Spa/Salon Skincare includes revolutionary treatments that target the causes of acne inflammation, and help reduce and control blocked pores, bacteria, and skin discoloration. Early intervention and regular use can also help reduce the risk of acne scarring.

AGERA® Spa/Salon Skincare is based on the science of cellular compatibility resulting in superior performance with minimal skin irritation.

Our products utilize bioengineered Lipopeptides delivered via nanoemulsion technology™ to reach the skin cells that stimulate repair.

These products make a difference in the skin's tone, texture, and appearance, and are setting new standards in effectiveness and client satisfaction.

AGERA® Cleansers

A. AGERA® EYE MAKEUP REMOVER

- Appropriate for all skin types
- Gently removes makeup without requiring harsh or abrasive rubbing action
- Contains natural, oil-free moisturizers to leave skin clean and conditioned
- Alcohol and oil free

NAS-AC-400-2 RETAIL 2 OZ

NAS-PAC-400-6 PROFESSIONAL 6 OZ

B. AGERA® EXTRA GENTLE CLEANSER

- Nonabrasive and nonirritating for all skin types
- Uses mild surfactants to gently cleanse
- Formulated for use with resurfacing procedures
- Provides a balanced pH (4.5-5.5)
- Contains no irritating fragrances
- Contains antioxidants to combat free radicals and protect skin cells

NAS-AC-500-6 RETAIL 6 OZ

NAS-PAC-500-16 PROFESSIONAL 16 OZ

NAS-AC-500-2 TRAVEL 2 OZ

C. AGERA® MICELLULAR CLEANSER

- Nonabrasive and nonirritating for all skin types
- Uses mild surfactants to gently cleanse without stripping skin of its natural oils
- Contains Prolifersyn® to help with collagen renewal
- Permits frequent cleansing without dryness
- Provides a balanced pH (4.5-5.5)

NAS-AC-101-6 RETAIL 6 OZ

NAS-PAC-101-16 PROFESSIONAL 16 OZ

NAS-AC-101-2 TRAVEL 2 OZ

D. AGERA® SALICYLIC WASH

- Gentle cleansing for all skin types, especially oily and acne-prone skin
- Contains the maximum allowable Salicylic Acid concentration
- Leaves the skin feeling soft and conditioned
- Deep cleans to help control problem skin conditions
- Provides mild exfoliation to remove dead skin cells and clear pores

NAS-AC-300-6 RETAIL 6 OZ

NAS-AC-300-2 TRAVEL 2 OZ

AGERA® cleansers are formulated to provide gentle, nonabrasive, nonirritating cleansing, and are balanced to complement the natural pH of the skin.

AGERA® Toners & Exfoliants/AHA

A. AGERA® AHA CLARIFYING TONER

- Recommended for all skin types, especially oily and acne-prone skin
- Oil-free formula contains the natural astringents Witch Hazel Extract and Eucalyptus Oil
- Gently removes excess oils and residues
- Contains Lactic Acid (AHA) to help in collagen and elastin production
- Has a pH of 3.5-4.0 that maintains the “acid mantle” to keep skin healthy and protected

NAS-AT-100-6 RETAIL 6 OZ
NAS-AT-100-2 TRAVEL 2 OZ

B. AGERA® SOOTHING CONDITIONING MIST

- Tones and conditions all skin types
- Hydrates and soothes the skin, leaving it soft and refreshed
- Does not contain alcohol and is noncomedogenic
- Provides a balanced pH (4.5-5.5)

NAS-AT-300-6 RETAIL 6 OZ
NAS-PAT-300-16 PROFESSIONAL 16 OZ
NAS-AT-300-2 TRAVEL 2 OZ

C. AGERA® SKIN RENEWAL AHA 5%

- Removes dead skin cells and helps increase cell turnover for oily/problem skin and dry/mature/environmentally damaged skin
- Offers active-strength AHA with Beta-Glucaderm® in increasing strengths for optimal results
- Exfoliates the stratum corneum, dissolving the structure that holds dead skin cells in place
- Reduces the appearance of fine lines and wrinkles, and leaves skin glowing and smooth

NAS-AE-700-1 RETAIL 1 OZ

D. AGERA® SKIN RENEWAL AHA 10%

- Removes dead skin cells and increases cell turnover for oily/problem skin and dry/mature/environmentally damaged skin
- Offers active-strength AHA with Beta-Glucaderm® in increasing strengths for optimal results
- Exfoliates the stratum corneum, dissolving the structure that holds dead skin cells in place
- Reduces the appearance of fine lines and wrinkles, and leaves skin glowing and smooth

NAS-AE-800-1 RETAIL 1 OZ

AGERA® toners are designed to gently condition the skin, leaving it soft and refreshed—and are pH balanced, providing the protection skin needs to look its very best.

AGERA® exfoliants contain AHA and are specially formulated to smooth the skin, removing dull surface skin cells and revealing healthy, more vibrant, younger-looking skin. These products leave the skin soft, conditioned, and ready for other treatments.

AGERA® Moisturizers

A. AGERA® ANTIOXIDANT MOISTURIZING SHIELD

- Effective moisturization for normal/dry and environmentally damaged/mature skin
- Balances the skin's water barrier
- Provides antioxidant protection
- Defends the skin against free radical damage
- Contains Gamma-Linolenic Acid to produce a dewy complexion and help reduce collagen loss

NAS-AM-100-2 RETAIL 2 OZ
NAS-PAM-100-16 PROFESSIONAL 16 OZ
NAS-AM-100-3 TRAVEL 0.3 OZ

B. AGERA® OIL-FREE MOISTURIZER

- Seals in moisture for normal/oily and oily/acne-prone skin
- Forms a dry, invisible barrier of protection moments after application
- Contains no oils or fragrances
- Provides antioxidant protection to defend against free radical damage
- Hydrates and nourishes the skin

NAS-AM-200-2 RETAIL 2 OZ
NAS-PAM-200-16 PROFESSIONAL 16 OZ
NAS-AM-200-3 TRAVEL 0.3 OZ

C. AGERA® PHOSPHOLIPID EYE GEL

- Nongreasy formula for all skin types that works as a moisturizing base under makeup
- Packed with phospholipids, powerful moisturizers, and Vitamin E to help firm and plump the delicate skin around the eyes
- Employs lipogel-delivery technology for better absorption of moisturizers
- Contains antioxidants to destroy free radicals that can lead to wrinkles and sagging

NAS-AM-900-1 RETAIL 1 OZ

D. AGERA® ULTIMATE MOISTURIZING REPAIR

- Contains ceramides to help firm and give resiliency to dry/mature skin
- Delivers vitamins A, C, and E, and antioxidants to prevent free radical damage
- Provides powerful moisturizers to keep the skin nourished and hydrated
- Formulated with Prolifersyn®, a proprietary Lipopeptide, beneficial in helping maintain the collagen and elastin balance in mature skin

NAS-AM-341-2 RETAIL 2 OZ
NAS-AM-341-3 TRAVEL 0.3 OZ

E. AGERA® RECOVERY CREAM

- Soothes, calms, and speeds recovery for all skin types post-procedure
- Reduces the redness associated with both sunburn and skin resurfacing
- Does not contain Cortisone or Hydrocortisone
- Contains Lipopeptides and MagC®, a stable form of Vitamin C, to combat fine lines, wrinkles, and hyperpigmentation
- High ceramide derivatives minimize transdermal water loss

NAS-AM-440-2 RETAIL 2 OZ
NAS-PAM-440-8 PROFESSIONAL 8 OZ
NAS-AM-440-3 TRAVEL 0.3 OZ

AGERA® moisturizers are specially formulated to hydrate and balance the skin's water barrier, providing a protective shield against damaging environmental factors. Antioxidants and other ingredients nourish the skin and help reduce the appearance of fine lines and wrinkles.

AGERA® Vitamin Delivery

A. AGERA® INTENSIVE MAGC® GEL

- Recommended for aging/hyperpigmented skin due to sun damage, age, and overuse of AHA products
- Provides antioxidant protection against free radical damage
- Provides the benefits of MagC®, a highly stable form of Vitamin C
- Helps to enhance collagen and elastin production
- Helps firm and even the texture and tone of the skin
- Helps aid in the reduction of hyperpigmentation associated with aging and sun damage

NAS-AV-500-1 RETAIL 1 OZ
NAS-AV-500-.3 TRAVEL 0.3 OZ

B. AGERA® EVENING PEPTIDE COMPLEX

- Provides aging/environmentally damaged skin the anti-aging benefits of Retinol
- Includes Prolifersyn® to aid in collagen/elastin mature fibroblast/epidermal stimulation
- Helps rejuvenate and exfoliate to reveal younger, smoother skin
- Provides the antioxidant benefits of daily treatment with vitamins A and C

NAS-AV-901-1 RETAIL 1 OZ
NAS-AV-901-.3 TRAVEL 0.3 OZ

C. AGERA® INTENSIVE PEPTIDE SERUM

- Provides aging/environmentally damaged skin the anti-aging benefits of Retinol
- Delivers antioxidant protection and the benefits of MagC® (stable Vitamin C) to fight free radical damage
- Helps to enhance collagen and elastin production
- Helps firm and even skin texture and tone
- Helps reduce hyperpigmentation associated with aging and sun damage

NAS-AV-501-1 RETAIL 1 OZ

D. AGERA® MICELLULAR SOLUTION

- Promotes an even-toned, healthier complexion for mature/excessively damaged skin
- Provides antioxidant protection against free radical damage
- Helps to enhance collagen and elastin production
- Helps firm and even skin texture and tone

NAS-AV-100-1 RETAIL 1 OZ

E. AGERA® RETINYL P .6% LIPOGEL

- Gently exfoliates all skin types, especially AHA-sensitive skin
- Improves skin color, texture, and tone
- Utilizes lipogel-delivery technology for rapid penetration of the skin
- Provides a high dosage of Retinyl Palmitate (Vitamin A), which is proven to improve skin elasticity by approximately 20%

NAS-AV-220-1 RETAIL 1 OZ
NAS-AV-220-.3 TRAVEL 0.3 OZ

AGERA® vitamin delivery products are designed to deliver a powerful range of antioxidants, including MagC®, our highly stable form of Vitamin C, to nourish the skin. The ingredients in these products combat free radical damage and help restore a smoother, softer texture to the skin.

AGERA® Sun Protection

A. AGERA® CHEMFREE SUNSCREEN—SPF 15

- Delivers sun protection for all skin types
- Uses the latest microtechnology to form an invisible, chemical-free barrier against UVA and UVB rays
- Does not contain oils or fragrances that may irritate the skin
- Reflects the sun's rays away from skin for optimal protection
- Provides an ideal alternative for those who are allergic to chemical sunscreens

NAS-AS-100-2 RETAIL 2 OZ
NAS-AS-100-3 TRAVEL 0.3 OZ

B. AGERA® DAILY MOISTURIZING PROTECTOR—SPF 25

- Provides full-spectrum sun protection (SPF 25) for all skin types
- Provides a protective shield against environmental factors
- Balances the skin's water barrier
- Nourishes and hydrates the skin

NAS-AS-300-2 RETAIL 2 OZ
NAS-AS-300-3 TRAVEL 0.3 OZ

C. AGERA® ULTRA PERFORMING SUNSCREEN—SPF 25

- The world's most modern sunscreen combined with the most advanced anti-aging Lipopeptide available
- Creates an invisible chemical-free barrier against the sun for all skin types
- Provides full-spectrum sun protection (SPF 25) against both UVA and UVB rays
- Includes Prolifersyn®, helpful in maintaining collagen and elastin balance in the skin

NAS-AS-301-1 RETAIL 1 OZ
NAS-AS-301-3 TRAVEL 0.3 OZ

AGERA® sun protection products are designed to defend the skin against environmental factors, providing a chemical-free barrier and broad-spectrum UVA and UVB protection.

AGERA® Home Treatment Products

A. AGERA® AEROBIC INFUSION CREAM

- Provides a hydrogen peroxide-based treatment for oily/problem skin and normal/mature skin
- Produces an enzymatic reaction of oxygen and water when combined with AGERA® Catalyse Enzyme Gel
- Creates a conditioning boost of energy for the skin
- Excellent conditioning properties soften and soothe the skin
- Offers antibacterial properties for problem skin
- Helps to stimulate blood flow to the skin

NAS-ATR-100-2 RETAIL 2 OZ
NAS-PATR-100-16 PROFESSIONAL 16 OZ
NAS-ATR-100-.3 TRAVEL 0.3 OZ

B. AGERA® DAILY ACNE SHIELD SYSTEM (POWDER & ACTIVATOR)

- A powerful, 2-part system that effectively reduces acne pimples and accompanying redness
- Delivers a unique combination of anti-inflammatories and counter-irritants
- Utilizes I-Ascorbic Acid and Salicylic Acid to reduce acne pimples and inflammatory reactions
- Helps defend against the aging process and offers mild superficial peeling with no downtime

NAS-ATR-750-KIT-1 RETAIL POWDER 2 X 1 OZ
 ACTIVATOR 2 OZ

C. AGERA® LYSOZYMAL ANTIBACTERIA GEL

- Specifically designed for oily/acne-prone skin
- Contains Lysozyme/Lipopeptide complex for antibacterial and antimicrobial properties
- Seals in moisture and protects skin from harmful elements
- Helps to enhance collagen production
- Lightweight and oil free, with no irritating fragrances
- Formulated to work with AGERA® Aerobic Infusion Cream

NAS-ATR-310-1 RETAIL 1 OZ
NAS-PATR-310-8 PROFESSIONAL 8 OZ
NAS-ATR-310-.3 TRAVEL 0.3 OZ

D. AGERA® MICRODERMA CRYSTAL C SYSTEM (MASK & ACTIVATOR)

- A luxury combination of Vitamin C crystals and an activating gel that gently buffs away old skin; for all skin types, except very sensitive or on cuperose skin conditions
- Vitamin C crystals exfoliate manually, while further exfoliation and stimulation is produced by the AHA component
- Instantly leaves skin smooth and radiant
- Antioxidant complex (Vitamin C and Beta Carotene) defends skin from free radicals
- Gently exfoliates and helps to enhance collagen production

NAS-ATR-651-KIT-2 RETAIL 2 OZ
NAS-ATR-651-KIT-1 TRAVEL 1 OZ

AGERA® offers a wide range of advanced products for client use at home, including treatments for acne-prone, dry, mature, and hyperpigmented skin.

AGERA® Home Treatment Products

E. AGERA® ADVANCED EYE LIFT

- Formulated with an advanced silicone crosspolymer/elastomer technology for all skin types
- Contains unique silicone elastomers that help mask lines and wrinkles for a smoother appearance
- Contains D-Alpha-Tocopheryl Acetate (Vitamin E)
- Provides powerful moisturizers and antioxidants
- Contains Argireline® to help smooth the delicate area around the eyes, reducing the appearance of lines and wrinkles
- Helps stimulate blood flow to the skin by hydrating with oxygen

NAS-ATR-150-1 RETAIL 1 OZ
NAS-ATR-150-.3 TRAVEL 0.3 OZ

F. AGERA® COLLAGEN REGENERATION COMPLEX

- Hydrates and plumps dry/mature/dehydrated skin, including the face, neck, and décolleté
- Helps to enhance collagen and elastin production
- Firms the skin and reduces the appearance of fine lines and wrinkles
- Helps even skin tone
- Contains Collasyn™, a bioactive peptide that mimics cytokines produced during wounding, in a nanoemulsion-delivery vehicle

NAS-ATR-700-1 RETAIL 1 OZ

G. AGERA® KOJIC PLUS 2% LIGHTENING CREAM

- Produces fast, uniform lightening for all skin types with hyperpigmentation
- Helps in providing excellent hyperpigmentation suppression prior to and following treatments
- Delivers the proven-skin lightening effects of Hydroquinone 2%
- Delivers high levels of tyrosinase inhibition to aid in effective lightening
- May be used prior to chemical peel and microdermabrasion

NAS-ATR-980-1 RETAIL 1 OZ

H. AGERA® LIGHTENING CREAM

- Helps lighten all hyperpigmented skin types with low cytotoxicity
- Includes high levels of the natural plant-based lighteners Paper Mulberry, Bearberry, and Kojic Acid
- Helps to produce gradual, uniform lightening
- May be used over extended time periods, even years
- Moisturizes the skin
- Delivers high levels of tyrosinase inhibition to aid in lightening

NAS-ATR-911-2 RETAIL 2 OZ
NAS-ATR-911-.3 TRAVEL 0.3 OZ

AGERA® offers a wide range of advanced products for client use at home, including treatments for acne-prone, dry, mature, and hyperpigmented skin.

AGERA® Professional Products

A. AGERA® CATALYSE ENZYME GEL

- A specialty product in a stabilized anhydrous formulation containing the catalyse enzyme that is appropriate for all skin types
- Oxygenates the epidermis, for smoother, younger-looking skin
- Effectively exfoliates and softens the skin, making extraction easier
- Creates oxygenation which converts various peroxides and free radicals into oxygen and water
- Designed to be used with AGERA® Aerobic Infusion Cream

NAS-PATR-900-8 PROFESSIONAL 8 OZ

B. AGERA® DETOXIFYING CLAY MASK

- High-purity clay/bentonite mask helps control oily/acne-prone skin
- Removes excess oils and impurities from the pores
- Detoxifies by removing heavy metals and surface environmental pollutants, leaving skin squeaky clean
- Improves skin texture, leaving it clean and toned

NAS-PATR-400-16 PROFESSIONAL 16 OZ

C. AGERA® ENZYME GEL EXFOLIATOR

- Utilizes proprietary, stabilized enzyme technology to dissolve dry, flaky skin
- Gently exfoliates even sensitive skin
- Employs a proprietary method of preserving a microcrystalline enzyme in an anhydrous matrix
- Softens and dissolves the stratum corneum
- Leaves skin soft and glowing

NAS-PATR-300-16 PROFESSIONAL 16 OZ

D. AGERA® MARINE GEL HYDRATING MASK

- Provides maximum humectant hydration therapy for dry, dehydrated skin
- Soothing gel mask infuses the skin with marine extracts and Mucopolysaccharides
- Delivers antioxidants to help minimize environmental damage
- Soothes and replenishes dry, parched skin for a healthier, younger appearance

NAS-PATR-450-16 PROFESSIONAL 16 OZ

E. AGERA® MICRODERMA CRYSTAL C MASK

- Gently exfoliates and helps to enhance collagen production for all skin types, except very sensitive or on couperose skin
- Mildly abrasive Bicarbonate/Vitamin C crystal mask gently buffs away old skin
- Instantly leaves skin smooth and radiant
- Antioxidant complex helps minimize environmental damage

NAS-PATR-650-8 PROFESSIONAL 8 OZ

F. AGERA® MICRODERMA CRYSTAL C ACTIVATOR

- A luxury activating gel is used to activate the AGERA® Microderma Crystal C Mask
- Gently buffs away old skin, leaving the face smooth and radiant
- Antioxidant complex (Vitamin C and Beta Carotene) defends against free radicals
- Gently exfoliates and helps to enhance collagen production using AHA

NAS-PATR-651-8 PROFESSIONAL 8 OZ

AGERA® offers a wide range of advanced products developed for use by the skincare professional during spa/salon treatments. These include a variety of exfoliants, masks, and peels specialized to meet the needs of different skin types.

AGERA® Professional Products

A. AGERA® PRE-PROCEDURE ANTI-INFLAMMATORY BASE

- Works to de-fat and cleanse the skin prior to procedures
- Contains non-Hydroquinone pigment suppressors
- Delivers anti-inflammatory benefits
- Provides a skin preparative treatment prior to AHA/BHA peels and microdermabrasion

NAS-PATR-920-1 PROFESSIONAL 1 OZ

B. AGERA® PLUS PEEL 24

- Rapidly penetrates hyperpigmented/acne-prone, environmentally damaged/aging skin
- Includes a combination of AHA/BHA (Salicylic Acid 8%, Lactic Acid 8%, Citric Acid 8%) in a low-pH peel
- Produces low irritation, maximum proliferation
- Designed to be layered as needed
- Helps to enhance collagen production and helps suppress pigmentation
- Reduces the appearance of fine lines and wrinkles

NAS-PATR-930-1 PROFESSIONAL 1 OZ

C. AGERA® PRO PREPPING SOLUTION

- Effectively prepares the skin for microdermabrasion treatments
- Reduces the mechanical sensory effects to improve the tolerance of the skin
- Delivers anti-inflammatory benefits to help reduce erythema

NAS-PATR-999-8 PROFESSIONAL 8 OZ

D. AGERA® SIMPLY C PRO PEEL SYSTEM (POWDER & ACTIVATOR)

- A 20% L-Ascorbic Acid/Antimicrobial Ethanol peel system for mild acne/hyperpigmentation (with pigmentation-suppression products)/environmentally damaged skin
- Provides proliferative Vitamin C treatment
- Helps to enhance collagen production and helps suppress pigmentation
- Treats environmentally damaged skin and helps improve mild acne conditions

NAS-PATR-992-KIT-1 PROFESSIONAL 1 OZ

E. AGERA® SKIN-FIRMING EMOLLIENT MASK

- Provides both emollients and humectants for all but oily skin types
- Oat glucan firms and revitalizes, improving skin elasticity
- Firms the skin, leaving it smooth and silky
- Soothes sensitive or irritated skin, and reduces redness
- Helps reduce redness, making this an ideal post-procedure treatment

NAS-PATR-350-16 PROFESSIONAL 16 OZ

F. AGERA® SKIN RENEWAL AHA 20%

- Delivers a full system of increasing-strength AHA with Beta-Glucaderm® for aging/mature skin
- Combines the benefits of AHA Lactic Acid with Beta-Glucaderm®
- Helps to enhance basal cell renewal for a more youthful appearance
- Accelerates the removal of the top layer of skin and produces a younger, more vibrant skin tone
- Leaves skin glowing and smooth, and reduces the appearance of fine lines and wrinkles

NAS-PATR-910-6 PROFESSIONAL 6 OZ

AGERA® offers a wide range of advanced products developed for use by the skincare professional during spa/salon treatments. These include a variety of exfoliants, masks, and peels specialized to meet the needs of different skin types.
