

# Moisturizers for Daily Protection

## **AGERA® moisturizers**

are specially formulated to hydrate and balance the skin's water barrier, providing a protective shield against damaging environmental factors. Antioxidants and other ingredients nourish the skin and help reduce the appearance of fine lines and wrinkles.

## **AGERA® ANTIOXIDANT MOISTURIZING SHIELD**

Effective moisturization for normal/dry and environmentally damaged/mature skin; provides antioxidant protection and protects against collagen loss

## **AGERA® OIL-FREE MOISTURIZER**

Seals in moisture and forms a dry, invisible barrier of protection moments after application; provides antioxidant protection to defend against free radical damage in an oil-free formulation

## **AGERA® PHOSPHOLIPID EYE GEL**

Packed with phospholipids, powerful moisturizers, and Vitamin E to firm and plump the delicate skin around the eyes; contains antioxidants to destroy free radicals that can lead to wrinkles and sagging

## **AGERA® ULTIMATE MOISTURIZING REPAIR**

Contains ceramides to help firm and give resiliency to dry and mature skin; delivers vitamins A, C, and E, and antioxidants to prevent free radical damage, and Prolifersyn®, a lipopeptide, designed to stimulate collagen and elastin production

## **AGERA® RECOVERY CREAM**

Anti-inflammatory properties soothe, calm, and speed recovery for all skin types post-procedure; reduces redness and contains Lipopeptides and MagC® to combat fine lines, wrinkles, and hyperpigmentation

# Sun Products for Daily Protection

**AGERA® sun protection products** are designed to defend the skin against environmental factors, providing a chemical-free barrier and broad-spectrum UVA and UVB protection.

## **AGERA® CHEMFREE SUNSCREEN—SPF 15**

Uses the latest technology to form an invisible, chemical-free barrier against UVA and UVB rays; an ideal alternative for those who are allergic to chemical sunscreens

## **AGERA® DAILY MOISTURIZING PROTECTOR—SPF 25**

Provides full-spectrum sun protection, creating a protective shield against environmental factors; nourishes and hydrates the skin

## **AGERA® ULTRA PERFORMING SUNSCREEN—SPF 25**

The world's most modern sunscreen combines Prolifersyn® for collagen and elastin stimulation; creates an invisible chemical-free barrier against the sun
